FACE GROUP results from a strategic concept of some Portuguese manufacturers that decided to join synergies in its internationalization process.

For over 30 years in cutlery manufacturing, we combine our expertise and know-how to the latest technology, been our efforts invested in the conception and production of the highest quality while maintain very competitive prices.

We follow the modern demands of the markets and offer a complete range of products for each sector, as professional/hospitality or retail.

FACE GROUP resulta de uma decisão estratégica de alguns fabricantes portugueses que decidiram unir sinergias no seu processo de internacionalização.

Durante mais de 30 anos na produção de cutelarias, aliamos o nosso know-how à mais recente tecnologia, investindo os nossos esforços na concepção e produção de produtos de alta qualidade a preços bastante competitivos.

Seguimos as modernas tendências dos mercados, oferecendo uma completa gama de produtos para todos os segmentos, profissional ou retalho.

Ricardo Mota
selection

« The skill, know-how, attention to every detail, ergonomics, touch and perfectionist sense, was transmitted to me from generation to generation.

That's why, the cutlery conception and production, more than a way of life, is a passion.

To all those who have the pleasure of eating with excellent cutlery, I proudly share my experience and this art. »

« A pericia, know-how, a atenção a cada detalhe, a ergonomia, o toque e o sentido perfeccionista, foi-me transmitido de geração em geração.

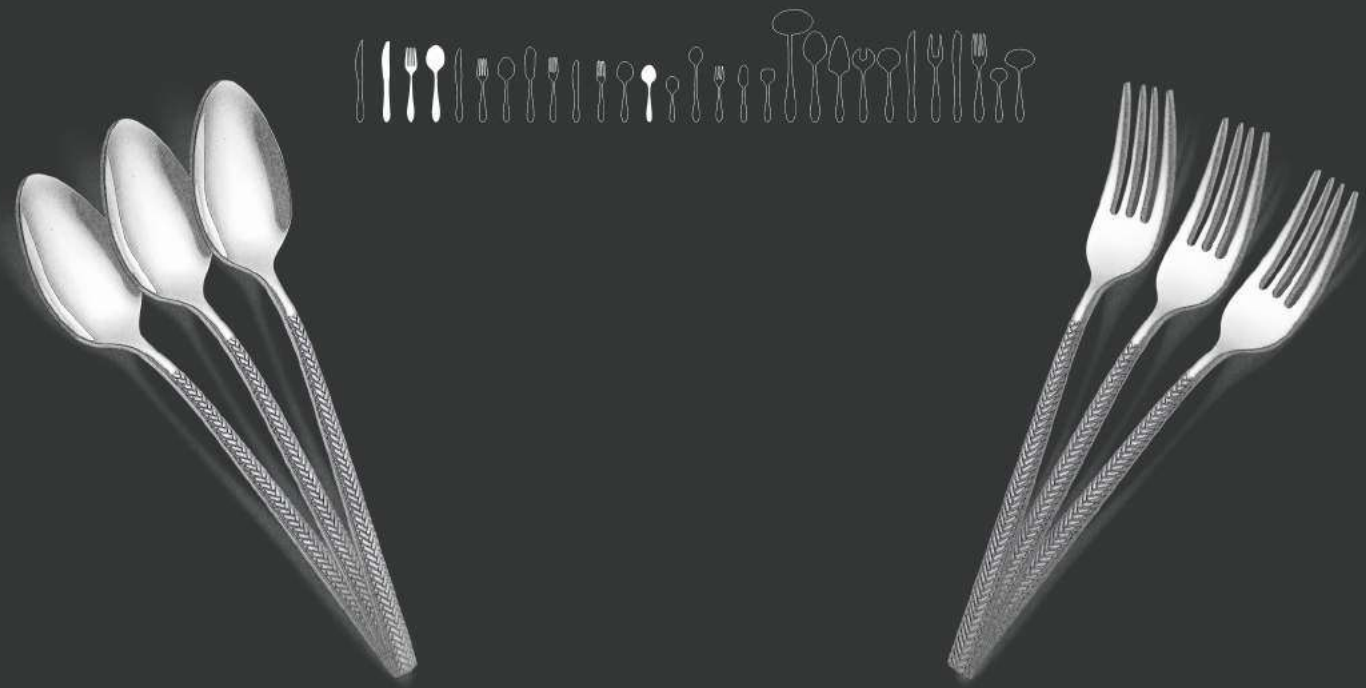

É por isso, que a concepção e produção de cutelarias, mais do que um modo de vida, é uma paixão.

A todos aqueles que têm o prazer de comer com talheres excelentes, orgulhosamente partilho a minha experiência e esta arte. »

Ricardo Mota
selection

« From Neo-Classic inspiration, its fine filigree lines give to Hera design a unique beauty and personality. »

« De inspiração Neo-Clássica, os finos traços de filigrana dão uma beleza e personalidade únicas ao modelo Hera. »

« The simplicity of this classical shape is renewed with the contemporary lines of the knife. Nemesis is pure elegance. »
« A simplicidade dos seus traços clássicos é renovada com as linhas contemporâneas da sua faca. Nemesis é pura elegância. »

« Ares is an extravagant design that combines straight lines with angular transitions. »
« Ares é um modelo extravagante que combina as linhas rectas com as transições angulares. »

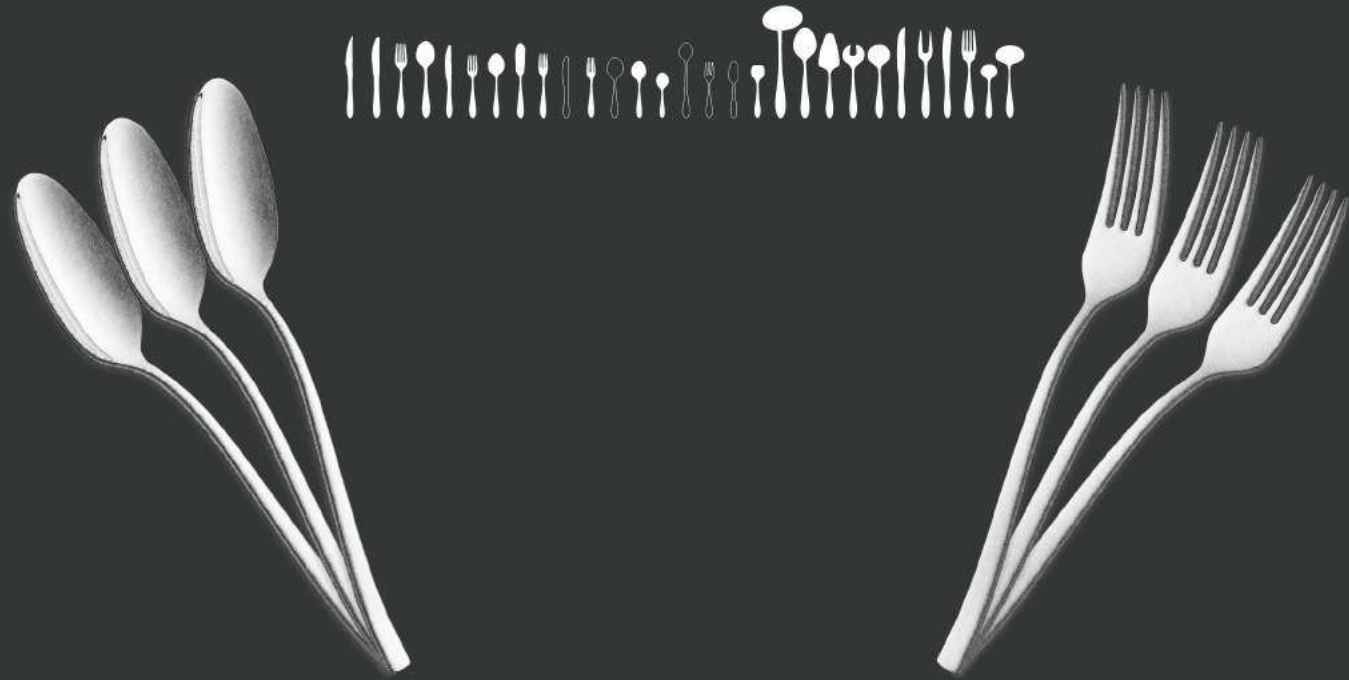

« Modern and uncomplicated , its distinct shilhouette clearly accentuates Poseidon beauty. »
« Moderno e descomplicado, a sua distinta silhueta acentua claramente a beleza de Poseidon. »

« Morfeu give us a different brightness that is accentuated by the soft diamond-shaped decoration. »

« A sua suave decoração diamantizada acentua o brilho diferente que Morfeu nos proporciona. »

« With well-balanced geometric shape, the vintage influences gives a special touch to this modern trendy. »

« Com uma forma geométrica bem equilibrada, as influências vintage dão um toque especial a esta tendência moderna. »
